Dear Sir

It was indeed a great pleasure to meet you during my stay in Saudi Arabia. Your personal efforts to clear my visa issue in Dubai and also the arrangements you made for my welcome in Saudi Arabia and at Saudi Aramco are highly appreciated and are being placed on record.

Let us only hope that the door that has been opened between the State Trading Corporation and Saudi Aramco, thanks to your personal efforts, be the gateway towards a sound commercial partnership. Our aim to contact Saudi Aramco stand only in the interest of the Mauritian community to obtain a continuous supply of LPG and hopefully, other petroleum products, at competitive rates. We would, of course, consider other products in the near future if that proves to be economical and practical. All proposals will nevertheless need to be considered and approved by the Board of the State Trading Corporation and the Government of Mauritius.

I once more thank you very much for the hearty welcome in Jeddah and Saudi Aramco.

Yours faithfully

Mr. R. S. Soomarooah
General Manager
